

Submissions to the Harbour-front Enhancement Committee

1. Title of the submission

Illustrative Concept for the New Central Harbourfront

2. Name of proponent

Planning Department

3. Brief description of the submission

The Government's vision for the new Central harbourfront is to create a world-class waterfront which is vibrant, attractive, accessible and symbolic of Hong Kong. The relevant approved Outline Zoning Plans (OZPs) have provided a land use framework for realizing the vision. The illustrative design concept, together with drawings and a physical model, demonstrate how a vibrant and green harbourfront is achievable under the approved OZPs.
