Harbour-front Enhancement Committee

Terms of Reference

To advise the Government through the Secretary for Housing, Planning and Lands on planning, land uses and developments along the existing and new harbour-front of the Victoria Harbour, with a view to protecting the Harbour; improving the accessibility, utilization and vibrancy of the harbour-front areas; and safeguarding public enjoyment of the Harbour through a balanced, effective and public participation approach, in line with the principle of sustainable development.

Specifically, the Committee will –

- (a) Provide feedback to and monitor the reviews on the remaining proposed reclamation within the harbour, namely the Wan Chai North and Southeast Kowloon reclamation proposals;
- (b) Advise on the planning, design and development issues including land use, transport and infrastructure, landscaping and other matters relating to the existing and new harbour-front and the adjoining areas;
- (c) Advise on means to enlist greater public involvement in the planning and design of the harbour-front areas; and
- (d) Explore a sustainable framework to manage the harbour-front areas, including public-private partnership.

Harbour-front Enhancement Committee
Sub-committee on South East Kowloon Development Review
Terms of Reference
(as at 2 September 2004)

To assist HEC in monitoring and giving advice on the Planning and Engineering Review of South East Kowloon Development (the Review).

Specifically, the Sub-committee will –

- (a) Provide comments on and monitor the planning, design and development issues including land use, transport and infrastructure, landscaping and other matters relating to the implementation proposals under the Review;
- (b) Advise on the public involvement strategy at various stages of the Review; and
- (c) Report to HEC on its findings and recommendations on a regular basis.

Harbour-front Enhancement Committee
Sub-committee on Harbour Plan Review
Terms of Reference
(as at 2 September 2004)

To assist HEC to formulate an integrated harbour plan and to identify, give advice on and monitor the improvement projects along the existing and new harbour-fronts.

Specifically, the Sub-committee will –

- (a) Advise on the review of the harbour plan with a view to formulating an integrated harbour plan to guide future use of the harbour-front areas;
- (b) Identify priority improvement projects along the harbour-fronts, and provide comments on and monitor the planning, design and development issues including land use, transport and infrastructure, landscaping and other matters relating to the proposals;
- (c) Advise on the public involvement strategy and the optimal mechanism (including public-private partnership) for taking forward the proposed improvement projects; and
- (d) Report to HEC on its findings and recommendations on a regular basis.

Harbour-front Enhancement Committee
Sub-committee on Wan Chai Development Phase II Review
Terms of Reference
(as at 2 September 2004)

To assist HEC in monitoring and giving advice on the Planning and Engineering Review of Wan Chai Development Phase II (the Review) taking into account the implications on the associated areas along the harbour-front.

Specifically, the Sub-committee will –

- (a) Provide comments on and monitor the planning, design and development issues including land use, transport and infrastructure, landscaping and other matters relating to the implementation proposals under the Review;
- (b) Advise on the public involvement strategy at various stages of the Review; and
- (c) Report to HEC on its findings and recommendations on a regular basis.
