

Event Calendar

Programme Events	Date	Remark
Brainstorming Session	21 May 2005 (Saturday) a.m.	The Session was attended by representatives from different sectors of the community. Various ideas to enhance the Study Area were put forward for further review and study in the later stages of the Programme.
Random Sampling Survey and Face-to-Face Interviews	July 2005 – August 2005	Random sampling survey and face-to-face interviews were conducted. During the survey period, 651 persons were randomly selected in the Study Area for the questionnaire survey. Another 44 representatives from local communities, professional bodies and harbour-related organizations were interviewed during the face-to-face interview. Findings from the survey and interviews would provide the basis for formulating enhancement concepts during Workshop Session.
Workshop	8 October 2005 (Saturday) a.m.	The workshop was attended by participants from different sectors of the community. Various concepts for enhancing the Study Area were proposed for further public discussion in the Exhibition and Public Forum. A site visit was held on 3.10.2005 for the participants to familiarize with the Study Area.
Exhibition	17 – 26 November 2005	The exhibitions were well visited by the general public. Over 2,000 informative pamphlets with short questionnaire were given out over the 10 days exhibition period.
Public Forum	26 November 2005	Around 70 people joined the Public Forum held on the roof of Central Ferry Pier No. 3. The forum discussed a wide spectrum of issues relating to the future development of the area. Views on environment, transportation, tourism / commercial, leisure and public uses and design were exchanged and discussed at the forum.
