Progress Report from
Task Group on Urban Design Study
for the New Central Harbourfront (TGUDS)
of Harbour-front Enhancement Committee (HEC)

Reporting Period

This progress report covers the period from July to August 2008.

Meetings held and the Major Points Raised

2. No Task Group meeting was held during the reporting period.
3. Public views have been collected for the Stage 2 Public Engagement of the Urban Design Study for the New Central Harbourfront through various channels including Focus Group Workshop, Community Engagement Forum, comment cards, face-to-face interviews, telephone polls, and written submissions from organizations and individuals. Briefings have been provided to various public and advisory bodies, and to interested professional institutes and organizations upon invitation. The study consultants are in the process of examining the public views received and preparing detailed analysis and design responses.
